### Summer Programs at SDC

June 26<sup>th</sup>-August 25<sup>th</sup>

The studio schedule changes for the summer, studio hours are Monday, Wednesday, Thursday, & Friday closed Tuesday, Saturday & Sunday. During the summer students work on technique which is very important. Taking summer classes keeps your child up with their technique so they do not fall behind. The summer is also a great time for your child to try a different style of dance being that routines are not being taught. Students may sign up for summer classes in the office starting May 1<sup>st</sup>. There is no registration fee for summer classes if you are currently a registered student.
