Summer Programs at SDC

July 8th-August 23rd

The studio schedule changes for the summer, studio hours are Monday-Thursday closed Friday, Saturday & Sunday. During the summer students work on technique which is very important. Taking summer classes keeps your child up with their technique so they do not fall behind. The summer is also a great time for your child to try a different style of dance being that routines are not being taught. Students may sign up for summer classes via their student/parent portal starting May 1st. There is no registration fee for summer classes if you are currently a registered student.

Recital Costumes :

Costumes are starting to come in. Once costumes are in we will have students try on and they will be sent home. Please keep costumes in a safe place as we have checked costumes to see that all headpieces are included. At this point we can no longer place orders for additional costumes if needed.
